Pitch fees are due on 1st March annually. You may elect to pay the fees by standing order over 10 months. The first payment is due on 1st November & the last on 1st August (five months in advance & five months in arrears.)

The Season

The Park is open from 1st March through to the 31st January. The park is closed for the month of February & utility supplies are switched off at this time. Inverbeg Holiday Park is a **not** a residential park. All owners must be off the park during this month, so no overnight stays are permitted. We have the right to close the park and stop access at any time due to Health & Safety reasons.

Other Costs & Requirements

Other costs involved with owning a holiday home at Inverbeg are:

- Electricity & Gas is billed quarterly, based on the meter reading from each unit. An admin charge will apply.
- Each unit at the Park must be insured & a valid copy of the insurance certificate held at the Park office. This is a legal requirement. Details of specialist insurers can be obtained from the Park office on request.
- We also offer Ramtech alarm systems for extra security. There is one installation charge (£470.00 upwards) if not already fitted in the unit, then an annual service charge (around £75.00) will apply. In the case of the alarm being raised, the duty member of staff will investigate and call the police if necessary.
- Boating facilities are available at the park for an additional charge. Please contact the office for further information.
- If you wish to hire out your unit this must be done through the holiday park. Please contact the office for further details. Terms & Conditions apply.
- All sales are subject to a charge of 15% + VAT commission.

Licence Agreement

We offer a 15-year licence agreement with a **new** caravan & a 20-year licence with a **new** plastic lodge purchased after 13/7/18 and up to 25 years with a **new** lodge (depending on the lodge specification).

If you purchase a pre-owned holiday home, you will receive the balance of the licence agreement on that unit.

Caravans & plastic lodges on site prior to 13/7/18 hold a licence agreement of 10 years from new for a caravan & 15 years for a plastic lodge. After this point, an extension of up to 5 years will be available on an annual basis at a charge of £300.00 per annum (this extension is not application to wooden lodges). This extension will only be granted if the conditions outlined in the licence agreement are met.

Caravans are not permitted to be resold on the park after 10 years and after 15 years for plastic lodges. If you do not wish to upgrade, we will generally find a trade buyer for your caravan, and it will be sold off park. Any extension is at the sole discretion of the Park Management.
